

GWJC checklist for authors before submission of manuscripts

Please download this checklist, fill in and ensure your manuscript is compliant before submission. The completed checklist needs to be submitted with the manuscript.

Ensure your manuscript conforms to these requirements before submission. Please include the completed checklist below when submitting the manuscript, which should be sent to submissions@omniamed.com.

Manuscript originality, authorship and format

Your manuscript should be written in English and be saved as a Microsoft Word document, with text double spaced and pages numbered.

- ☐ Is your abstract in the correct format?
- ☐ Have you provided first and family names, job titles and addresses for all authors?
- ☐ Have you provided an email address and telephone number for the corresponding author?
- ☐ Have you stated each author's contribution to the manuscript?
- ☐ Have you supplied key words?
- ☐ For appropriate manuscripts, have you supplied key messages?
- ☐ Is your manuscript the requisite length (word count) following our guidance for the number of tables/figures and references?
- ☐ Has the manuscript been 'spell checked' and 'grammar checked'?
- ☐ Have you used SI units?

Tables

- ☐ Are your tables in an editable format and on separate pages?
- ☐ Are they embedded into the main word document?
- ☐ Have they been cited in the text?
- ☐ Have you provided appropriate table legends?
- ☐ Have you obtained copyright permission to re-use any previously published material?
- ☐ Has the source been acknowledged?

Figures

- ☐ Are your figures separate from the text?
- ☐ Have they been supplied in files of an acceptable format (eps, jpeg, png, tiff) and are they of sufficient quality?
- ☐ Have the files been labelled appropriately?
- ☐ Have the figures been cited in the text?
- ☐ Have you provided appropriate figure legends?
- ☐ Have you obtained copyright permission to re-use any previously published material?
- ☐ Has the source been acknowledged?

References

- ☐ Are all the references in the correct (Harvard style) format?
- ☐ Have all of the references been cited in the text?
- ☐ Have you added the DOI where possible?

Statements: Ethical, patient consent, funding, contributors, and conflicts of interest

- ☐ Have you provided details of ethical approval and patient consent?
- ☐ Have you declared conflicts of interests for all authors?
- ☐ Have you declared all funding and other sources of support?
- ☐ Have you acknowledged all contributors to your work?
